COVID-19 PANDEMIC

please add this clause to ALL contracts

In accordance with article 1193 of the civil code, the present contract may be modified "by mutual consent of the parties", which will be the subject of written and signed amendments. If the concert, subject of this contract, cannot be performed under normal conditions due to administrative police measures (decree, order, etc.), particularly in the event of exceptional circumstances (epidemic, state of emergency, etc.), the parties agree on the following principles:

- If, for the cancelled or postponed concert, professional expenses (in particular transport and accommodation costs) have been incurred by KML SRL and cannot be reimbursed, they will be fully covered by the organiser, on presentation of written proof (refusal to reimburse the service provider).

- As a priority, a postponement of the planned engagement will be considered, under equivalent financial conditions, during the same calendar year or during the same artistic season. When concerts can be performed again, due to government measures, the parties will agree on the date of the postponed performance, which will be mentioned in an amendment to this contract.

- If the parties are unable to agree on a postponement of the cancelled performance, they may consider an amicable termination of this contract. Compensation will be paid to KML by the organiser. This compensation, awarded in the context of an amicable breach of contract, does not constitute damages within the meaning of the legislation on contractual liability. The amount of this compensation, which will be fixed by agreement between the parties, will correspond to a percentage of the amount of the price provided for in this contract, less any refunds already paid. This percentage will be based on objective elements (amount of the transfer price, duration of the contract, number of performances planned, timeframe in which the cancellation occurs, salaries and social security contributions of the producer's employees who have a duly signed employment contract and are not receiving a partial activity allowance, etc.). The compensation will be paid within 30 days of receipt by the organiser of the two copies, duly signed by KML, of the agreement between the parties, accompanied by an invoice.

two contracts are needed, one for each.
